**How Loud Is It?**

See our Sound Level Chart of how loud common sounds are and when to protect your hearing. [www.chsl.org/soundchart.php](http://www.chsl.org/soundchart.php)

**Did you know?**

**Your purchase helps us fund our nonprofit work. We help those unable to pay.**

The Center for Hearing, Speech & Language is a unique 501(c)(3) not-for-profit organization. Our professional staff of audiologists (Denver and Colorado Springs) provide first-rate audiology services. Our speech pathologists, educators and therapists (Denver only) provide quality hearing, vision, speech and language services for people of all ages. CHSL is a unique because we provide services to individuals of all socio-economic backgrounds including a sliding-scale fee basis for low-income individuals.
